

## FINISHES

## TECHNICAL FEATURES

## PIEDRA SINTERIZADA

### ¿QUÉ ES?

El producto que ofrecemos en VENUX pertenece a la familia de las Piedras Sinterizadas (también conocidas como superficie ultra compacta, superficie sinterizada o similar). La piedra sinterizada es un material 100% natural a base de minerales atomizados que mediante la compactación y el calentamiento forman una masa sólida de excepcionales propiedades.

## SINTERED STONE

### WHAT IS IT?

The product we offer at VENUX belongs to the family of Sintered Stones (also known as ultra-compact surface, sintered surface, or similar). Sintered stone is a 100% natural material made from atomized minerals that, through compaction and heating, form a solid body with exceptional properties.
